PATENT

Customer No. 22,852

Attorney Docket No. 03715.0139

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Application of:)	
Nathalie CARTIER-LACAVE et al.)	Group Art Unit: Not assigned
Application No.: 10/501,738)	Examiner: Not assigned
Filed: July 16, 2004)	
For: USE OF CD34+ HEMATOPOIETIC)	Confirmation No.: Not assigned
PROGENITOR CELLS FOR THE)	
TREATMENT OF CNS DISORDERS)	

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced application.

Copies of the listed documents are attached. The attached documents were cited in the International Search Report in the corresponding PCT application No. PCT/IB02/05698, as well as the specification.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine

that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.

Dated: October 20, 2004
